I'm currently working at a non-tech position and have no experience in IT-related jobs but I look forward to be a part of an entirely different environment!

Given my entrepreneurial and curious nature, I am constantly researching the topic and broadening my knowledge.

Currently studying at University of Denver Coding Boot Camp, future full-stack developer. Previously earned an associates degree in finance.

## TECHNICAL SKILLS

**Languages:** JavaScript, CSS, HTML, Solidity;

**Applications:** GitHub, WordPress;
